

HEAVY JET Gulfstream G300 (N826RP)

Large cabin heavy jets offer the greatest level of comfort and capacity. The Gulfstream G300 features a spacious cabin with seating for up to 14 passengers. It is a sleek, fast aircraft with a cruising speed of 575 mph and a range of 3,800 miles, making it an ideal option for long-range travel and international flights. Skystream Jet upgraded the interior in 2014 to include a list of amenities from comfortable, leather seats and WiFi connectivity to Text to Talk capabilities and full galley. Flights also include a flight attendant on-board.
